

# My daily diary

Here are some questions to get you thinking.....

Went somewhere new?

Made a friend?

What was the weather like?

What activities did you do?

Helped someone?

What did you achieve?

What did you learn?

Over came a fear?

Had an Adventure?

Completed a challenge?

Best bit?

Made a discovery?

Worked as a team?

Took responsibility?

Who helped you?

Something that surprised you?
